

## Is Your Child A Golfer?

CYO will offer three youth golf tournaments for the 2017-18 school sports season. As is our tradition, they will offer one tournament each season (fall, winter and spring).

They will continue to offer A, B and C level competitions and will have individual awards by gender and level as follows: Girls A, Girls B, Girls C and Boys A, Boys B, Boys C. The number of individual awards per level will depend upon the number of entries per level.

The team competition will continue to be co-ed but to be considered a school team; a school will need to enter at least four athletes into a tournament. If a school has less than 4 golfers, this is acceptable but the school will not be eligible for team awards.

Here is the proposed schedule and venue for our golf season:
