

# ST. CATHERINE LABOURÉ SCHOOL SPORTS PROGRAM

Join us for sports this year!

SCL offers the following sports throughout the year. However, as this is strictly a volunteer run program, we encourage you as a family to get involved! Most sports are offered to students grade 3 through 8 in good academic standing. Some sports and requirements may change based upon available coaches/volunteers and other teams in the CYO (Catholic Youth Organization, Los Angeles). To find out more, check Schoolspeak or your weekly parent bulletin for tryouts dates and season start dates.
